Emily, I estimate I'd need up to 20 hours to find everything that's responsive in hard copy, SEMS and my e-mails and electronic documents that haven't yet been sent to SEMS. Also, keep in mind that the Records Center and the Lit Room (Jolleen Werst) **always** incur significant costs to scan in new documents, QA them and organize the documents on the H: drive for Audrey's review. I don't want to speak for them on how much they estimate they'd need, and Jolleen isn't here today.

Principles and integrity are expensive, but they are among the very few things worth having.

Subject: Kat Logan Smith FOIA Fee Waiver Denied

HQ just denied the fee waiver for FOIA regarding West Lake Landfill. We currently have an assurance of payment for \$100. Please get me an estimate of how many hours you think you might spend search and/or reviewing documents for this FOIA. We charge \$28 an hour for search and review time, so we may overshoot the current assurance quickly.

Thanks,
Emily
